

ANGELUS SEAMERS

Fully Overhauled. Ready for *Another Lifetime.*

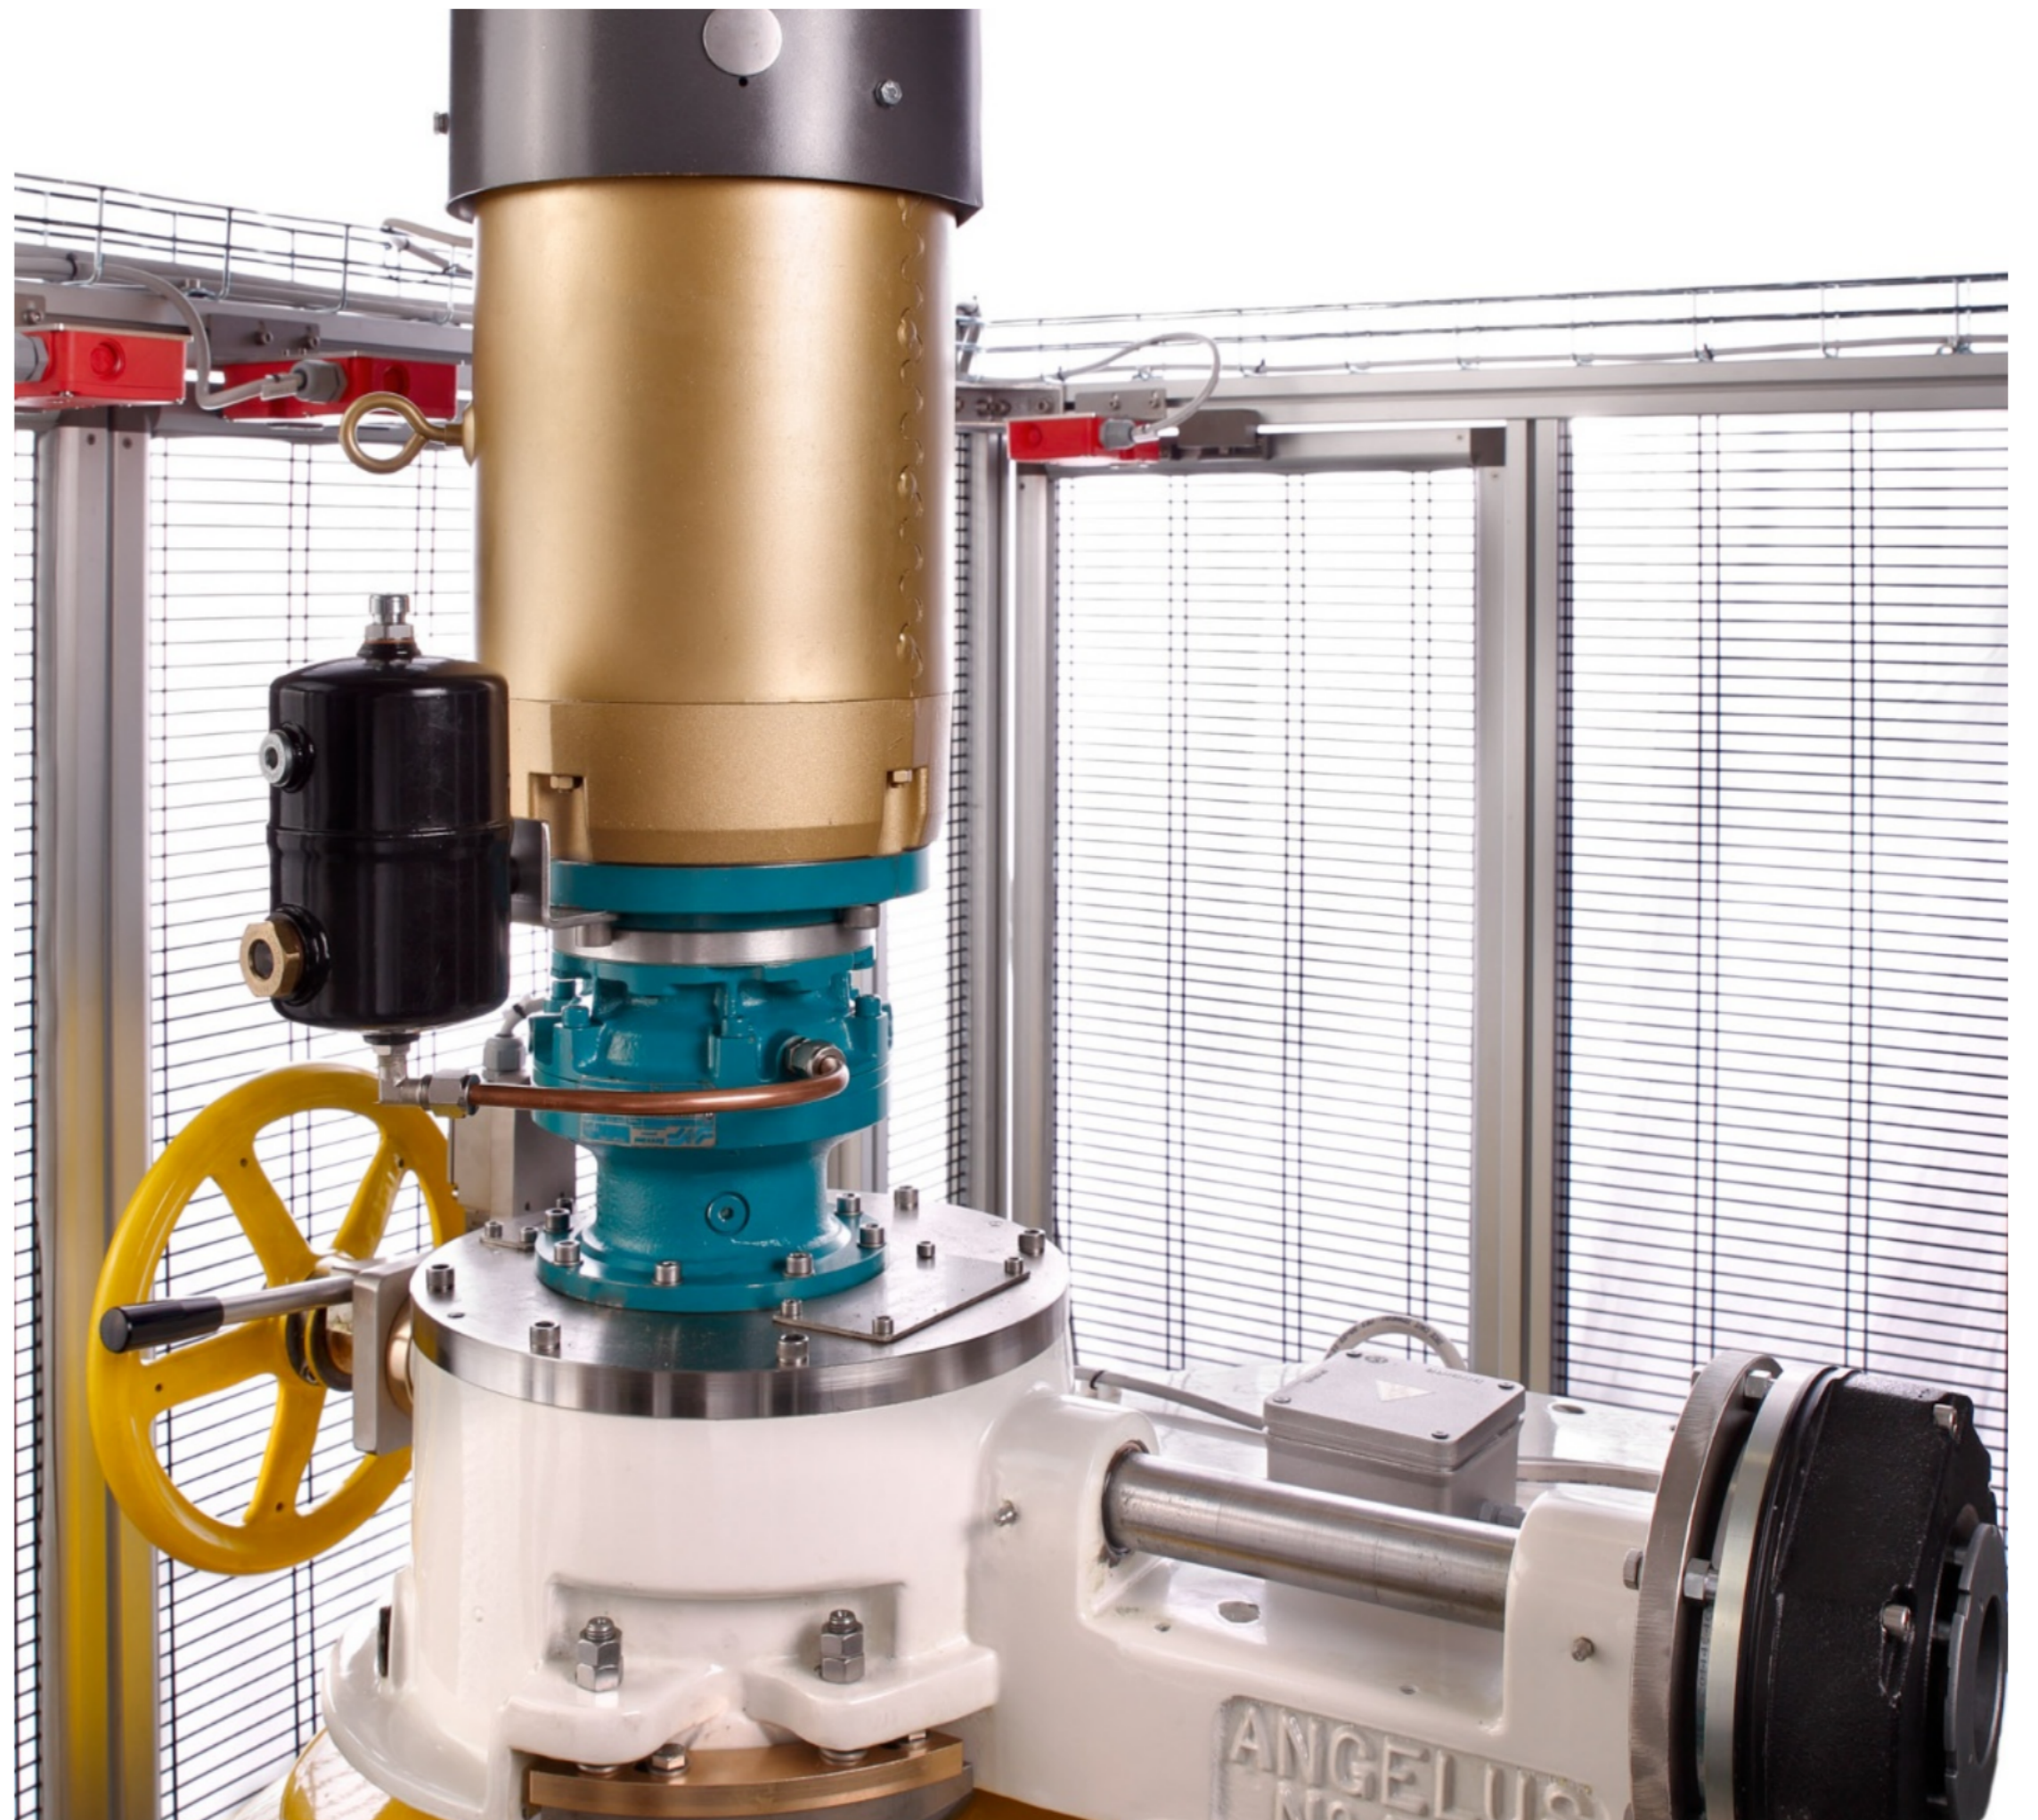

— A PRESENTATION BY ADWAR

SECTION 01

Legendary Seaming Technology.

For generations, Angelus seamers have been trusted by food manufacturers around the world.

Built to run.
Built to last.
Built for production.

SECTION 02

More Than An Overhaul.

Every machine is completely dismantled, inspected and rebuilt.

Critical components renewed.

Wear parts replaced.

Tooling restored.

Performance verified.

The result is not simply a used machine. It is a machine prepared for its next lifetime of production.

SECTION 03

Food Industry Focused.

Designed for demanding food canning operations.

- Vegetables
- Meat Products
- Dairy Products
- Powder Products
- Beans
- Fish & Seafood
- Pet Food

Performance

- Up to 600 cans per minute
- Can formats: \varnothing 52 – \varnothing 105 mm
- Multiple can heights available
- Vacuum & steam-flow configurations

Reliable Seams. Consistent Quality. Built for Decades.

SECTION 04

Precision Where It Matters.

The seam is the most critical part of every can.

- Precise seam formation
- Stable operation
- Long tooling life
- Consistent seam quality

Because product safety starts with the seam.

SECTION 05

Built Differently.

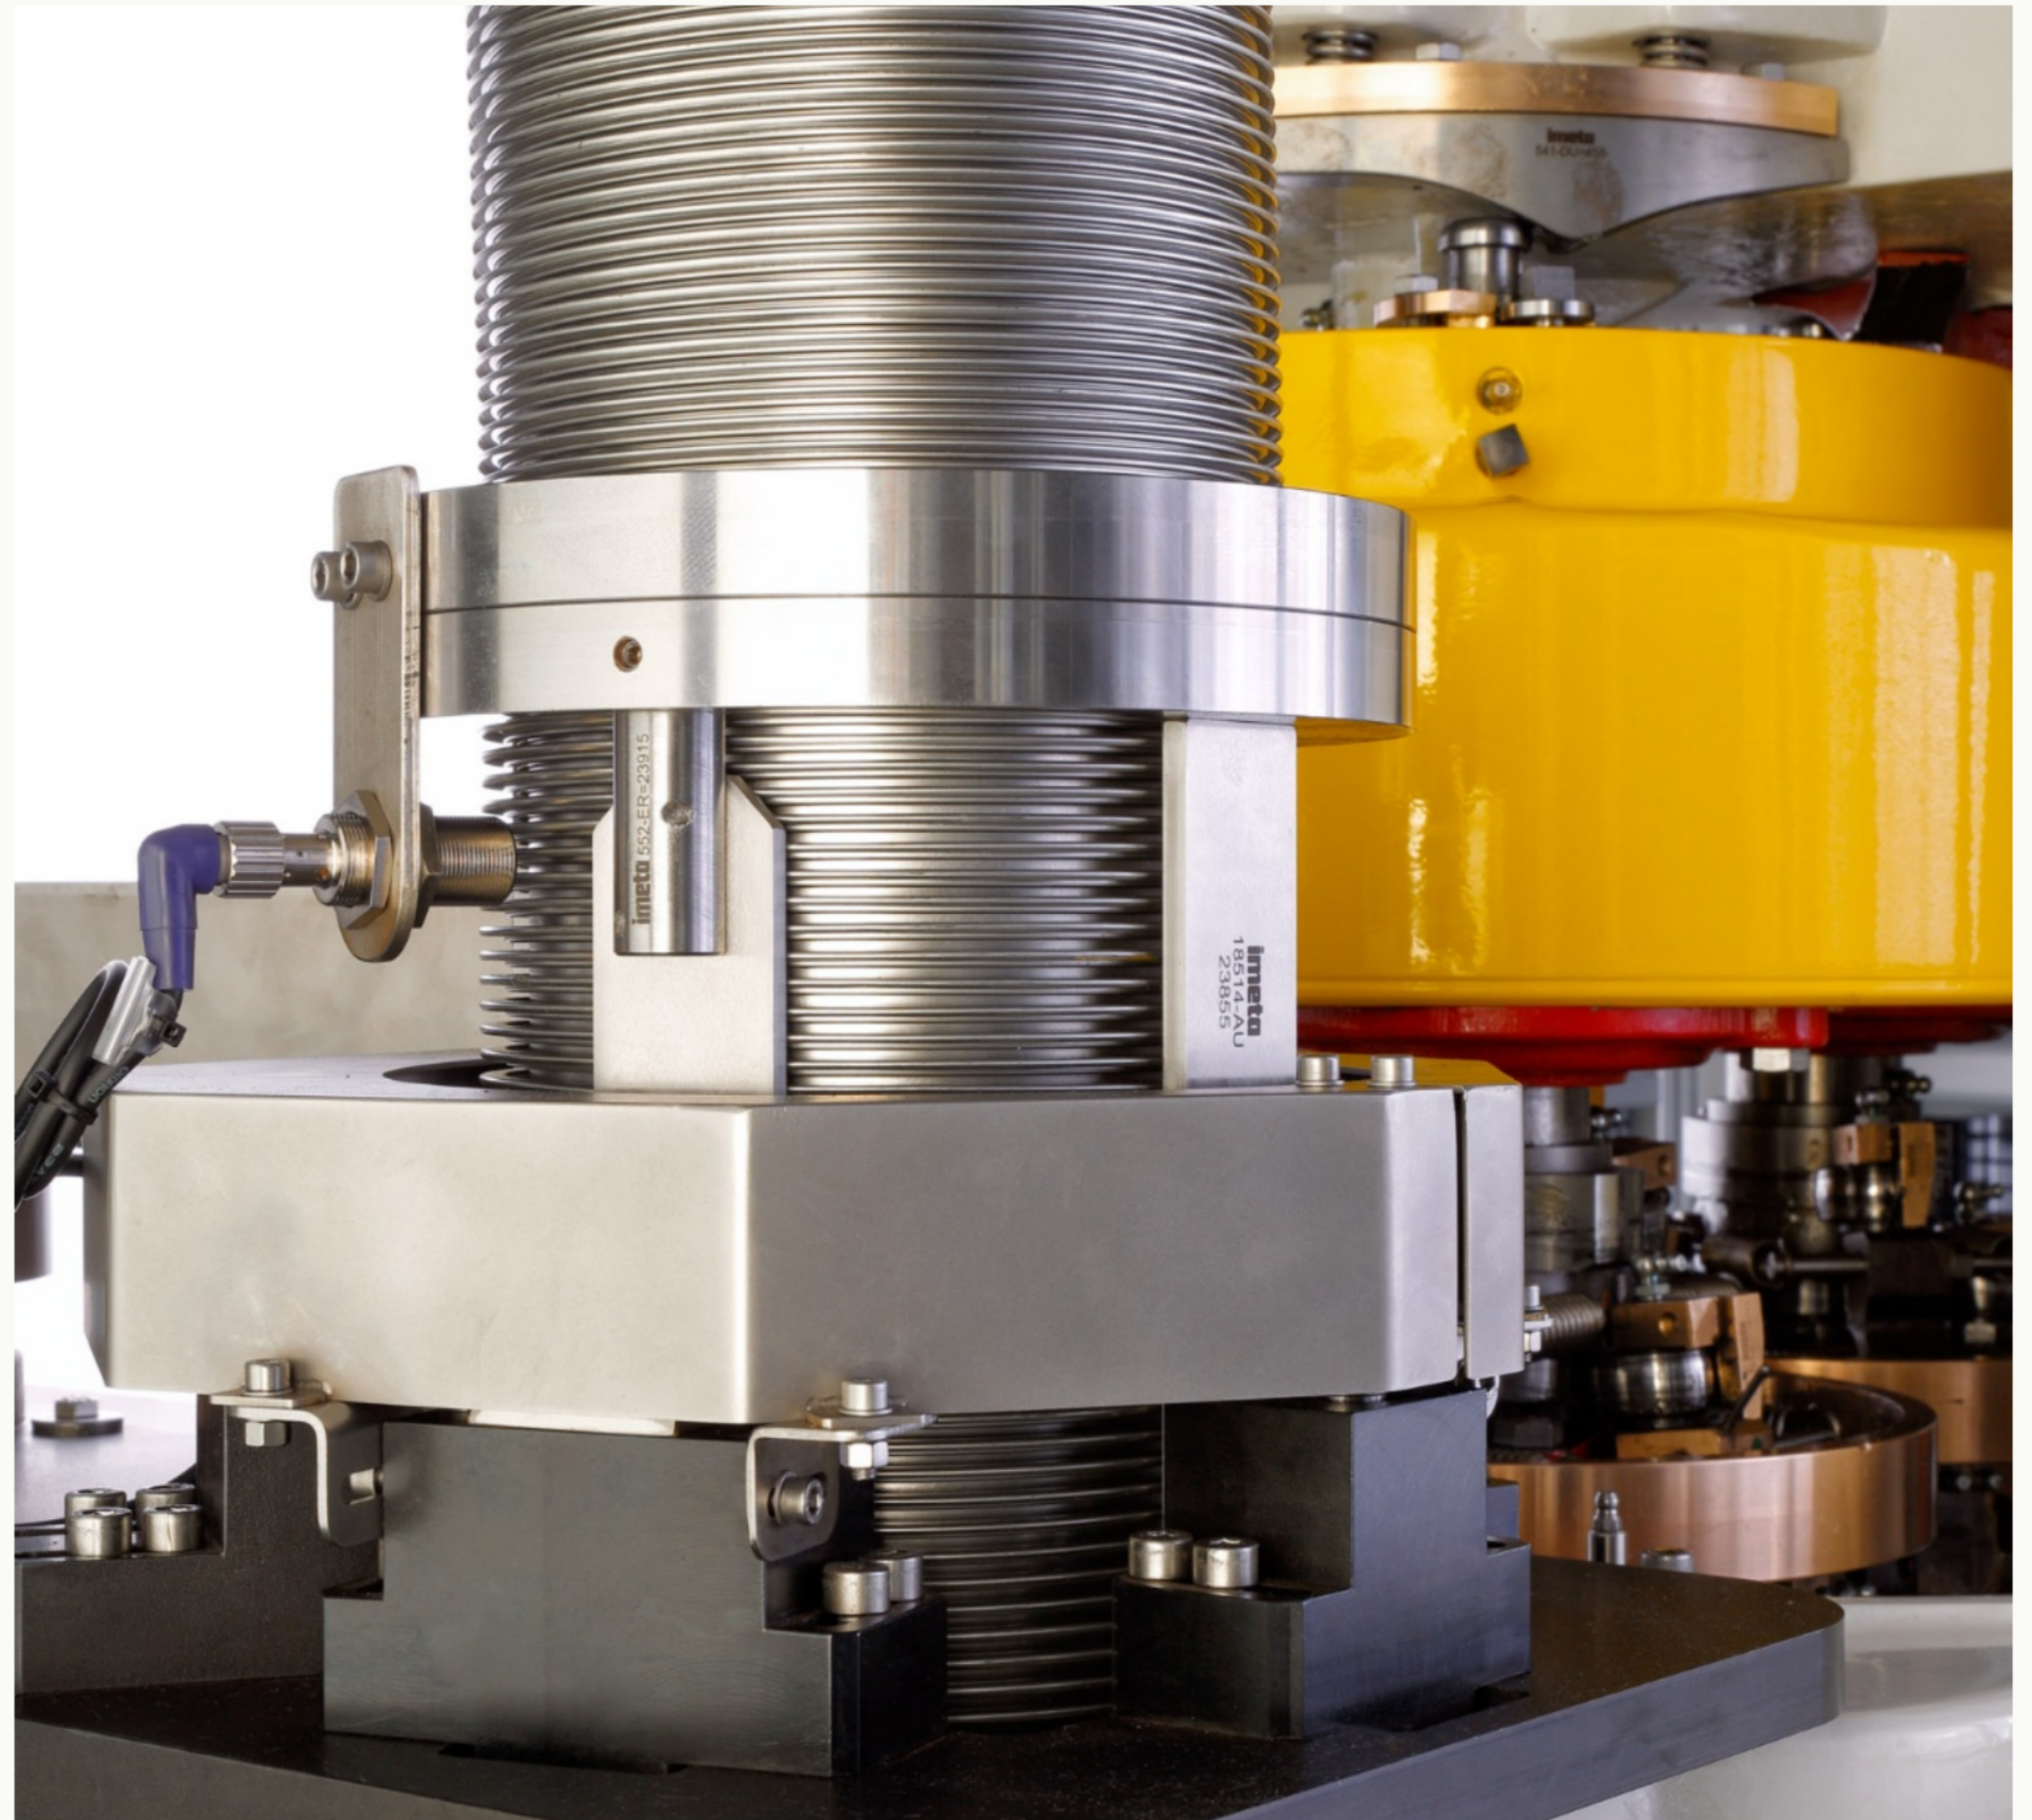

Many modern machines are designed for today's budget.
Angelus machines were designed for **decades**.

Heavy cast construction.

Exceptional rigidity.

Outstanding durability.

A machine built when engineering came first.

Lower Investment. Higher Confidence.

Why choose a professionally overhauled Angelus?

—

Proven Technology

Decades of refined engineering.

—

Immediate Availability

Ready when production demands.

—

Lower Capital Investment

A smarter financial decision.

—

Reliable Spare Parts

Long-term support from Adwar.

—

Long Service Life

Engineered for another lifetime.

—

Exceptional Value Retention

An asset that holds its worth.

SECTION 07

Supported by Adwar

Machinery is only part of the solution.

Adwar provides:

Spare Parts

Installation

Technical Support

Seam Audits

Tooling

Commissioning

Training

Long-Term Service

One Partner.
Complete Support.

FINAL SECTION

Ready For *Another Lifetime.*
